#### Frequently Asked Questions

**Q: Where can I find reopening guidelines for businesses?**

**A:** In partnership with DHS, DATCP, and the Department of Tourism, WEDC has compiled a series of industry-specific documents with best practices that support businesses taking steps to prevent workplace exposure as they prepare for reopening when it is safe to do so. General guidelines and sector-specific documents on agriculture, construction, entertainment/amusement, gyms & fitness centers, hair & nail salons, hospitality/lodging, manufacturing, professional services, public facilities, restaurants, retail, and transportation can be found on WEDC's website. Guidelines on outdoor gatherings, outdoor recreation, and warehouse/wholesale trade are forthcoming.

**Q: Should facilities use air filtration systems when reopening?**

**A:** In theory, portable HEPA purifiers may reduce the risk of transmission by removing some virus-containing particulates, but we do not have any direct evidence of their effectiveness at this point. Each facility should consult with their HVAC specialist and follow [ASHRAE guidance for COVID-19](#).

**Additional Information**

- **Cloth Face Covers**
  - [Wisconsin Face Mask Warriors Group](#)
    - Using local community efforts, this group of individuals are providing hand-made, non-medical grade facial coverings for the most vulnerable and least supported essential workers to protect them and our communities from the spread of COVID-19.
    - Starting Wednesday, 4/14/2020 at 5:00 p.m., this group will have bins available to drop off donated masks and materials outside of the Calumet County Courthouse, West Entrance, 206 Court Street, Chilton.
    - Please see their [Facebook page](#) for details, patterns, and instructions if you would like to participate in making masks.
    - If making a donation, please text (715) 851-0882 notifying them that there are masks to be picked up at the Chilton location.
    - Any essential workers, businesses, or high-risk individuals can fill out the group's [form to request masks](#).
    - Masks that are in the bin are donations for the group to distribute and should not be taken by individuals.
  - For directions on how to wear, washing instructions and how to make cloth face coverings please refer to the CDC website: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>
