WHAT'S NEW

- DHS COVID-19 testing center information split into two sections on the website: [How to Get Tested](#) and [Community Testing Sites](#). The Community Testing Sites area has a map showing all testing sites available by county, along with additional information.
- [Wisconsin National Guard Conducting Mobile Testing at Sites Around the State](#). A total of 25 specimen collection teams from the Wisconsin National Guard continue to operate across Wisconsin supporting local health departments and the Wisconsin Department of Health Services effort to increase the state's COVID-19 testing capacity.

The teams, comprised of nearly 600 Citizen Soldiers and Airmen in total, established mobile testing sites at locations ranging from correctional facilities and health clinics, to private businesses, and community-based testing sites.

- [DHS Releases Guidelines for Thrift Shops, Resale, and Donations](#) on COVID-19 Communities Page. Topics include safety guidelines while making a donation, accepting donations, and shopping.
