Calumet County Public Health Covid-19 Status Update

June 15, 2020

CALUMET COUNTY COVID-19 CASES AND DATA DASHBOARD

NOTE: Dashboard does not include data from the portions of City of Menasha or City of Appleton that are within Calumet County. Those cities have their own Public Health jurisdictions separate from Calumet County Public Health.

WHAT'S NEW

- [UW System Announces Students Will Return to Campus in Fall.](#) A series of recommendations from its Plan Ahead Team and sub teams related to the 2020-21 academic year is included in the reopening plan. The recommendations focusing on Fall 2020, Public Health, Personal Protective Equipment, and Facilities Modifications were developed with input from employee experts from across the 13-institution System. The recommendations do not include testing and tracing, a subject still under study.

REMINDERS

- **Call your healthcare provider before going into a clinic if you are experiencing mild to moderate symptoms of COVID-19.**
 - This will allow them to provide guidance, prepare ahead if you need to be seen, and minimize risk to others.
- **If you have any immediate questions, please call the United Way's Resource Line to speak with a trained specialist. It is available 24/7 for non-emergency questions about COVID-19 and referrals to local health and human services.**
 - Dial 211 on your phone
 - Text "COVID19" to 211-211 to receive links to CDC information.
 - Visit <http://211.org/>
 - Or contact Calumet County Public Health during business hours (Monday-Friday; 8:00 AM - 4:30 PM) at 920-849-1432.
- Visit the [Calumet County COVID-19 webpage](#) and scroll down to the 'Resources and FAQs' tab for a variety of helpful resources regarding COVID-19.
