Where can I get results from my test performed at a National Guard testing site in Wisconsin?

- While you are waiting for your test results, it is important that you limit contact with others to prevent the spread of the virus should you test positive.
- Test results should be received via email and/or phone call within three to seven business days.
- **If you've been waiting more than 5 days for your results or if you need a copy of your results, call the Wisconsin COVID-19 Results Line at (866) 419-6988.**
 - Getting your COVID-19 test results has never been easier, thanks to the Wisconsin Department of Health Service's free COVID-19 Results Line. Just call 1-866-419-6988 to get connected with a public health professional and informed of your test results.
 - The COVID-19 Results Line is open Monday-Friday from 8 AM – 6 PM. The Results Line only provides test results for COVID-19 testing performed at National Guard testing sites in Wisconsin.
 - Once you call, you'll need to provide:
 - The date of your test
 - The National Guard testing site you visited
 - Your name
 - Your date of birth
 - In addition to getting your results over the phone, the Results Line can mail you your test results.
 - **Please wait to call the Results Line until 5 days after your test.** If you call before the 5-day mark, they cannot guarantee your results will be ready.
